### **NOTE:**

The class begins promptly at 8:30am and the expectation is for everyone to be in the conference room at that time. Due to the importance of CPR and First Aid and consideration for those in attendance any late arrivals will not be admitted and will need to reschedule the class. There will be a half hour lunch break.

Please wear loose, comfortable clothing. You will be practicing skills that require working on your hands and knees, bending, standing, and lifting. If you have physical conditions that might prevent you from participating in the course, please tell one of the instructors when you arrive for the course. The instructor will work to accommodate your needs within the stated course requirements.

The cost is \$23.50 which includes the cost of the e-card and workbook. To receive your Heartsaver CPR/FIRST AID/AED card payment is required by the beginning of class. Cards will not be issued until payment is received. Checks are payable to Wood County Board of DD. Currently, the cost is waived for Independent Providers serving those who receive Wood County services.
